Christmas party invite

We hope it's been a good year for you and your team.

We'd love for you and your team to come along and enjoy your Christmas staff party with us. We're known for looking after people and thought you might want to finish the year in style.

It just so happens; we've got pretty good at doing this. We have great food, festive drinks and a couple of cool bars this year to enjoy with your team.

This year Craft & Social is doing a "takeover" at Cedric's cocktail bar. Combine this with our social alleyway and we certainly have great spaces on offer. Each can be booked exclusively or kick off with cocktails in one before dinner.

Either way, we do great events and always make things easy.

Have a look at our packages on the back or give us a call. We'd be happy to talk.

Regards,

Antonia
